

**FISITA announces President and Executive Board appointments 2025- 27**

- Hyundai Motor Company, Executive Vice President Mr. ChangHwan Kim, announced as FISITA President 2025 – 27
- Robert Bosch GmbH, Executive Vice President Engineering, Dr. Matthias Klauda announced as President Elect 2027 – 29

At the opening ceremony of the FISITA World Mobility Conference (WMC) in Barcelona, Spain. Hyundai Motor Company Executive Vice President Mr. ChangHwan Kim commenced his two-year tenure serving as President of FISITA.

Kim will be responsible for leading the organisation and chairing the Executive Board of FISITA for two years from 2025 through to 2027, following collaborating with outgoing President Mike Anderson of General Motors (GM) from the period between 2023-2025 as President-elect.

"I am deeply honoured to assume this role within this important global coalition of FISITA. We are aware of the challenges facing the automotive industry, and we understand that addressing them efficiently requires global collaboration. I am committed to contributing to sustainable progress in the industry during my tenure." – *ChangHwan Kim*

The make-up of the FISITA Executive Board represents the global reach of the organisation across the automotive and mobility systems industry. With a strategy supporting leaders and engineers in the pre-competitive space. The Executive Board's work focuses on developing thought leadership and knowledge share between the sharpest minds in the technology of mobility community, driving development and innovation. It recognises the power of bringing together different perspectives to deliver real change throughout the complete ecosystem of the technology of mobility.

"We at FISITA are proud to welcome ChangHwan Kim as our new President. I thank Mike Anderson for his leadership and guidance during his excellent two-year tenure. We now move into the next phase of FISITA's evolution with ChangHwan Kim, who has the full support of our Executive Board and global community as we navigate the ever-changing challenges in our industry." – *Chris Mason, CEO*

Further Executive Board appointments were communicated at the WMC annual meeting of the FISITA General Assembly, confirming the complete Executive Board 2025 -27.
